TGF

Teif Gostar Faraz

HID Detector

The HID-2552 is more sensitive detector for analyzing permanent gas and all other gas that TCD detector can analysis but more sensitive

HID-2552

Performance

High speed,

High resolution,

High reproducibility,

High quality,

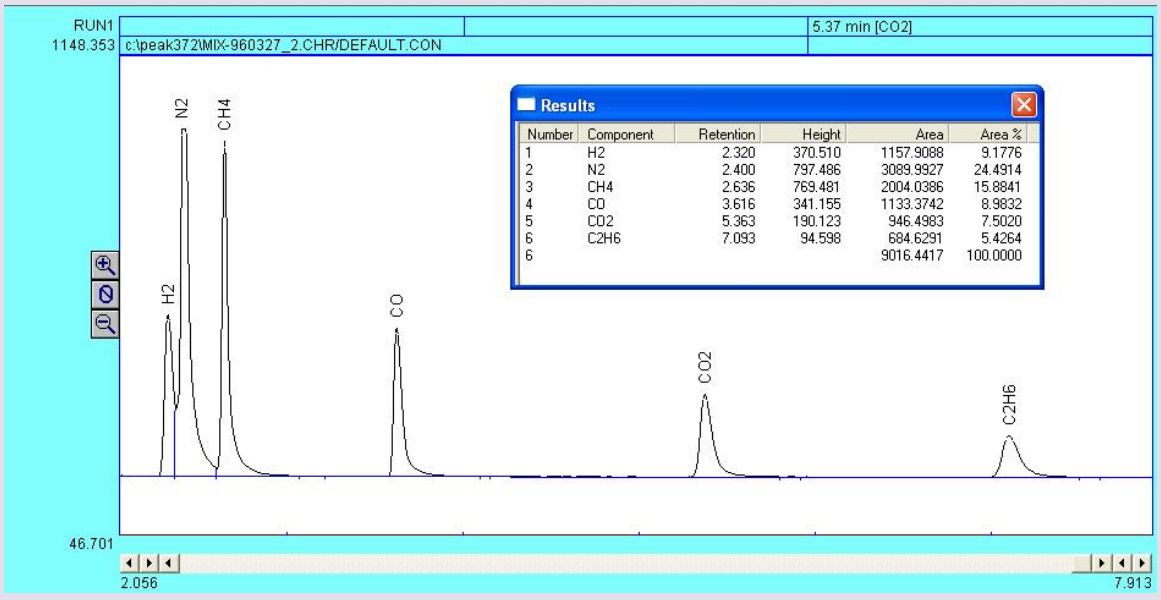

High sensitive HID

Application

Permanent gas analyses

All gas analyses

Scientific research

Unit 4, No. 183, Mahtab Bldg.,
Tolid Garan Blvd., KM 19
Jade Ghadim Karaj,
Tehran 3114859018, Iran
