impulsino-f4

electromagnetic forming device

Technical Specification	
Maximum energy	4 Kj
Operating voltage	3-11 KV
Input voltage	230 VAc
Discharge frequency	50 KHz
Discharge system	field distortion spark gap
Control system	Touch screen-PLC panel

high efficiency

cost-effective

eco-friendly

user-friendly

low energy consumption

fast and agile

No. 39, Sanat 3, Agh Qola Industrial Town, Gorgan, Golestan Province, Iran

impulsino-b5

pulsed plasma rock blasting device

Technical Specification	
Maximum energy	5 Kj
Operating voltage	3-11 KV
Input voltage	230 VAc
Discharge frequency	50 KHz
Discharge system	field distortion spark gap
Control system	Touch screen-PLC panel

impulsino-cap1025

high voltage pulse capacitor

Technical Specification

Maximum Volatge	10 KV
Capacitance	25 uf
Inductance	<50 nh
Peak Current	80 KA

high efficiency

cost-effective

eco-friendly

user-friendly

low energy consumption

fast and agile
