

Tajhiz Gostar Puya Co.
An ATRA Group Company

Laboratory Calibration Bath T1410 , T1450

Features:

- Total Range From 35 to 250 ° C
- Best Stability <0.045 ° C
- Best Uniformity <0.003 ° C
- Immersion Depth 300 mm

| Model | T1410 | T1450 |
|--------------------------------|---|---------------|
| Temperature Range | 35 to 250 ° C | 40 to 250 ° C |
| Temperature Stability | ±0.045° C | ±0.05° C |
| Temperature Uniformity(Radial) | <0.003° C | <0.04 ° C |
| Temperature Uniformity(Axial) | <0.009° C | <0.09 ° C |
| Bath Immersion Depth | 300mm | 150mm |
| Over Temperature Limiter | Yes | |
| Wetted Parts | 304 Stainless steel | |
| Controller | PID | |
| Inner Dimensions-Depth(mm) | | |
| Power | 230/115 VAC(±10%), 50/60 Hz | |
| Weight | 75kg | 20kg |
| Exterior body color | Electrostatic powder coating (scratch-resistant and washable) | |

Additional Equipment:

- Cooling system(forT1410)
- Probe Clamp
- On and off timer for the programming device
